Icy Bag

Put two ice cubes in a sandwich-sized re-sealable plastic bag and place it on your child's high chair tray. Leave the bag unsealed, letting her explore the ice and the bag. Create a non-slippery area by placing a dishtowel over the surface.

Chef's Helper

Let your child help in the kitchen. Pouring and stirring are easy ways they can assist you. While you are baking/cooking, talk about what you are doing and read the recipe out loud.
