Roll your Hands

Roll, roll, roll your hands
 As fast as fast can be.
 Do it now, let me see
 Do it now with me.

Roll your hands...
 as slowly as can be...

Other verses:
 Clap your hands...
 as loud as loud can be
 Tap your foot...
 as softly as can be
 Shake your feet...
 as quickly as can be

The Arms Go Up and Down

The arms go up and down,
 the arms go up and down
 Hi Ho the Derry-O
 The arms go up and down

Verses:

- Our feet go up and down
- Our head goes back and forth
- We all go round and round
- We all jump up and down

Literacy Tip

Snuggle up with a book

When you hold your child close and look at a book together, your child will enjoy the snuggling and hearing your voice as well as the story.

Feeling safe and secure with you while looking at a book builds their confidence and love of reading.

Bouncing Balloons

Social Development,
Visual Development

Even babies like something fun to look at. Hold a mylar balloon (filled with helium) in front of him and bounce it up and down. Watching the bobbing balloon helps your baby develop both visual focus and visual tracking skills.

Older children just love throwing, catching and just having fun. While doing so, they are developing eye hand co-ordination and motor skills.

Colour in one circle for each book read, (repeats are ok).
