

Rhythmic Poetry

Black Cat

(Standing)

Black cat, black cat,
sneak around.

Black cat, black cat,
roll on the ground.

Black cat, black cat,
climb up high.

Black cat, black cat,
touch the sky.

Black cat, black cat,
jump down low.

Black cat, black cat,
touch your toe.

(Sitting)

Black cat, black cat, sneak around.
(run fingers around tummy)

Black cat, black cat, roll on the
ground. (roll hands)

Black cat, black cat, climb up high.
(move hands in climbing motion)

Black cat, black cat, touch the sky.
(stretch baby's arms up)

Black cat, black cat, jump down low.
(low lift or bounce)

Black cat, black cat, touch your toe.
(touch baby's toe)

Sensory Awareness, Small Motor Skills, Observation & Discovery

Icy Bag

Put two ice cubes in a resealable, plastic sandwich bag and place it on your child's high chair tray. Leave the bag unsealed, letting her explore the ice and the bag. Create a non-slippery area by placing a dishtowel over the surface.

Chef's Helper

Let your child help in the kitchen. Pouring and stirring are easy ways they can assist you. While you are baking/cooking, talk about what you are doing and read the recipe out loud.

Our Downtown and Dawe Branches have great children's play areas.
Bring your kids and spend some time playing!
