Clap Your Hands

sung to *Row, row, row your boat*

Clap, clap, clap your hands,
Clap them all around.
Clap them loud, then clap them soft,
Now, don't make a sound.

Stamp, stamp, stamp your feet,
Stamp them all around.
Stamp them loud,
then stamp them soft.
Now don't make a sound.

See The Little Bunny Sleeping

See the little bunnies sleeping
till it's nearly noon
Shall we wake them
with a merry tune?

They're so still, are they ill?
No! Wake up bunnies!

Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop, hop, hop
Hop little bunnies, hop and stop

Have child/ren lie down and
pretend to sleep. When you say
"Wake up bunnies" have children jump
up and hop until you say "stop".

Literacy Tip

Object Permanence

Learning the concept of object
permanence is an important
developmental step. Babies test
this idea through games like
hide-and-seek and peekaboo.

Object Permanence

Toy Delivery Tube

Gather a cardboard tube and several of your child's small, colorful toys. Seat your child on the floor, place one end of the tube at his feet, and raise the other end of the tube at an angle. Place one of the toys into the top of the tube.

Leg Chute

Tape a paper towel tube to the leg of a table and let your child drop small toys into the top of the tube and watch them come out the bottom.

You could also tape a long tube to the banister or tubes of different sizes to the wall using painter's tape.
